Identification Code Types
Code 001 Identifying Individuals
For example: Name, title, address, office address, previous address, home telephone number, cell phone number, instant messaging account, internet web account, postal and resident address, photograph, fingerprint, email address, digital signature, serial number of certificate card, certificate serial number, record providing internet identity authentication or applying for inquiry service, and any other data that can be used to identify the data subject
Code 002 Identifying Financial Information
For example: Financial institution account numbers and names, credit card or debit card numbers, insurance policy numbers, and any other personal numbers or accounts, etc.
Code 003 Identifying Government Information

For example: Personal ID card number, certificate identity number, tax registration number, insurance certificate number, disability manual number, retirement certificate number, passport number, etc.
Characteristic Code Types
Code 011 Personal Description
For example: Age, gender, date of birth, place of birth, nationality, voice, etc.
Code 012 Physical Description
For example: Height, weight, blood type, etc.
Code 013 Habits
For example: Smoking, drinking, etc.
Code 014 Character
For example: Comments or opinions on character, etc.
Family Code Types
Code 021 Family
For example: Single or married, name of spouse or cohabitant, cohabitant's name of former spouse or former cohabitant, wedding date, and number of children, etc.
Code 022 Marriage History
For example: Details of previous marriage, cohabitation, divorce or separation and the names of the relevant parties, etc.
Code 023 Details About Other Family Members
For example: Offsprings, dependents, other family members or relatives, parents, cohabitants and relatives living abroad or in mainland China, etc.
Code 024 Other Social Relationships
For example: Friends, colleagues and other relationships outside of family, etc.
Social Conditions Code Types
Code 031 Residence and facilities.
For example: Address of residence, type of facility, owner or tenant, period of occupancy, rent or tax rate and other household expenditures, type and value or the residence, and name of owner, etc.
Code 032 Property
For example: All movable or immovable property or other property which data subject has rights on.
Code 033 Immigration
For example: Passport, work permit, proof of residency, residence or travel limitations, entry conditions and other relevant details, etc.
Code 034 Travel and Other Migration
For example: Previous emigration, travel details, foreign passports, proof of residency documents, work permits, work certificate and other related details, etc.
Code 035 Recreational Activities and Interests
For example: Hobbies, sports and other interests, etc.
Code 036 Lifestyle
For example: Types of consumer goods and details of services used, personal or family consumption patterns, etc.
Code 037 Membership in Charities or Other Associations
For example: Clubs or other voluntary associations, or organizations with participant records.

Code 038 Occupation
For example: School principal, elected representatives or other occupations, etc.
Code 039 Licenses or Other Permits
For example: Driver's license, vehicle license, license for self-defense firearms, fishing license, etc.
Code 040 Accidents or Other Incidents and Related Circumstances
For example: Subject of accident, nature of damage or injury, parties and witnesses involved, etc.
Code 041 Courts, Public Prosecutor's Office or Other Adjudicative Bodies or Proceedings
For example: Information about litigation and civil or criminal proceedings against the data subject.
Code Types for Education, Examination, Skills or Other Specialties:
Code 051 School Records
For example: Universities, colleges or other schools, etc.
Code 052 Qualifications or Skills
For example: Academic qualifications, professional skills, special licenses (such as pilot's license, etc.), governmental vocational training process, national examinations, test scores, or other training records, etc.
Code 053 Membership in Professional Associations
For example: Membership category, membership record, records of participation.
Code 054 Occupational Expertise
For example: Expert, scholar, consultant, etc.
Code 055 Membership in Committees
For example: Details of committees, working groups, and memberships based on expertise.
Code 056 Works
For example: Books, articles, reports, audiovisual publications and other works, etc.
Code 057 Record of Students (apprentices), Examinees
For example: Learning process, relevant qualifications, exam training assessments and results, ratings or comments or other learning or exam records, etc.
Code 058 Work Records of Committee Members
For example: Records of members' participation in propositions, grading or reviewing, oral examinations and other exam-related work.
Employment Code Types
Code 061 Current Employment Status
For example: Employer, job title, job description, grade, date of employment, working hours, work location, industry characteristics, conditions and duration of employment, previous responsibilities and experience with existing employer, etc.
Code 062 Employment History
For example: Date, method of employment, employed through intermediary/referral, period of employment, etc.
Code 063 Resignation
For example: The date of, the reason for, and the notice and conditions for resignation, etc.

Code 064 Work Experience
For example: Previous employers and work, periods of unemployment and military service, etc.
Code 065 Work and Attendance Records
For example: Records of starting and ending time, personal leave, sick leave, vacation, maternity leave, leave of absence, on-the-job records or reasons for not working, performance appraisal records, records of rewards and punishments, information of deprivation of civil rights, etc.
